## How we work

A 'walk-in' session is available on Tuesdays from 2pm to 4pm, when there is no need for an appointment. Experienced advisers are available to provide brief information and advice.

If you are unable to attend the 'walk-in' session, or we cannot provide you with the information you need by phone or email, or you need additional support, we can offer meetings on an appointment basis. Evening and weekend appointments are available if required.
